3M Scott Fire and Safety (3M Scott) warrants all 3M Scott Sight devices, associated accessories, and unused consumables supplied with the product to be free from defects in workmanship and material under reasonable/ordinary conditions, use, and service for a period of two (2) years from the date of original manufacture by 3M Scott. 3M Scott's obligation under this warranty is limited to replacing or repairing (at 3M Scott's option) or components shown to be defective in either workmanship or materials.

V320 Thermal Imaging Camera

3M™ warrants the V320 Thermal Imaging Cameras (also referred to as 'the thermal imager') and their accessories to be free from defects in materials and workmanship from the date of shipment from the factory. This warranty is in lieu of all other warranties expressed or implied. This warranty applies as follows; 3 Years: Thermal Imager and batteries.

1 year on all accessories: Desktop Charger and Lanyard System. This warranty does not apply to fabric components as they can be adversely affected by undue exposure to heat, sun, ozone or other hostile conditions. WARRANTY DISCLAIMER: This warranty shall be null and void if 3M determines that the thermal imager or its accessories have been damaged by neglect, misuse, accident, abuse, power surges, over-exposure to heat, abnormal wear and tear, or other perils outside the design tolerances of the thermal imager. The following additional conditions shall void all warranties: 1) Unauthorised repair, modification, or alteration of the thermal imager and/or its accessories. 2) Damage caused by failure to use and/or maintain the thermal imager and/or its accessories in accordance with the manufacturer's written instructions. 3) Damage in shipping. 4) Damage caused by use of a non-approved battery or battery charger. 5) Non-service-related damage. 6) Damage caused by improper storage or transportation. INFORMATION: The use of non-factory authorised parts or components, or the failure to maintain and use the system as directed in the operating manual, voids all warranties. RESPONSIBILITIES OF 3M UNDER THE WARRANTY: Provided the end user/distributor detects and reports (in writing) defects to 3M within the warranty period stated above, 3M shall either repair or replace either the components or the thermal imager, at its sole option, once its responsibility has been determined under the warranty. This repair/replacement shall be the user's sole and exclusive remedy.

3M Scott expressly disclaims any liability for special, incidental or consequential damages in any way connected with the sale or use of 3M Scott products, and no other firm or person is authorised to assume any such liability. The warranties stated above are taken from product documentation applicable to the respective products. In the event of any discrepancy between the above provisions and the warranty provisions stated in product documentation, the warranty provisions stated in product documentation included with the product apply.
